

River City Cycling Society

presents

Clark State and a Slice
March 15@Noon

Ride starts at
1467 Villa Court Charlestown, IN 47111

Join us for a bucolic roll through southern Indiana. There will be a few stops, passage through Clark State Forest, some hills, and beer and pizza to finish the day

The ride will be around 45 miles. You should probably wear a helmet. A bike lock would be a good idea for the stop.

All riders welcome regardless of gear count or bike style. This will be a no-drop ride. Riding together is the point.
